

Team expectations agreement

- 1) We will work together (in the same place or together on a google doc)
- 2) Inform each other about your doubts, your questions, things you do not understand or disagree. Ask for help.

We will discuss the tensions in the group as soon as they emerge.

- 3) We will try to be as responsive and accessible as we can for the other members.
- 4) We will listen to each other and let each other speak.
- 5) We will criticize constructiveley the ideas
- 6) Enjoy the project.
- 7) We will all bring our computers with us
- 8) Debrief each evening before leaving the class
- 9) Every night, we will make a checklist of what is left to do, and if we want, assign tasks
- 10) Help each others in their works
- 11) We will do some team meeting at the "Académie de la bière" (or other pub/coffee)
- 12) If someone has a problem with someone else in the group, he/she should say it to the person and don't keep it for him/herself.
- 13) We will integrate to our project Paul Henry, the international semester student.
